

Nida Campingsite

Description:

the Campingsite offers pitches for tents, caravans and camping cars. All supply and waste disposals

are exemplary. A power supply, water and waste disposal is assigned to each site. The places are set off by small green. A tennis court, restaurant, spacious and very clean toilets, belong to the plant as well as washing and shower facilities. In the administration building sgl and dbl rooms are for rent at

reasonable prices. The campsite is closed in the evening and is guarded 24 hours. Overall a good system that leaves nothing to be desired.
